WILL YOU HELP US TRANSFORM THIS...

...INTO THIS!

...to allow more hurting people to discover God's healing?

Here we will be able to serve significantly more people: as we will no longer be reliant on renting public venues. It will help us reach our 10 year vision of being open six days a week, to see more people encounter the healing transformative love and power of God through The Well in Royal Leamington Spa.

The building has had little maintenance, and now needs extensive refurbishment to meet health and safety standards, incorporate

disabled access and facilities, to integrate modern technology such as our office computers and for the creation of the front to both draw in and pour light into the community. **Our architect estimates this will cost £461,500.** That's a lot of money and we need the funds by the end of November 2016 to start all the building work, but God has brought us this far, and we are trusting in His faithfulness to achieve this vision - can you help?

“Not only has God healed me from Polycystic Ovary Syndrome (which, medically, has no cure), he has also healed me from hypoglycaemia. I feel so blessed and am full of gratitude” (Prayer guest)

Please turn over to find out more about our new home and how you can help. Thank you for your support!

THE WELL CHRISTIAN HEALING CENTRE APPEAL

The vision: A place of sanctuary and Christian healing

The building as it is now

In a great location with the right capacity – but in need of a makeover!

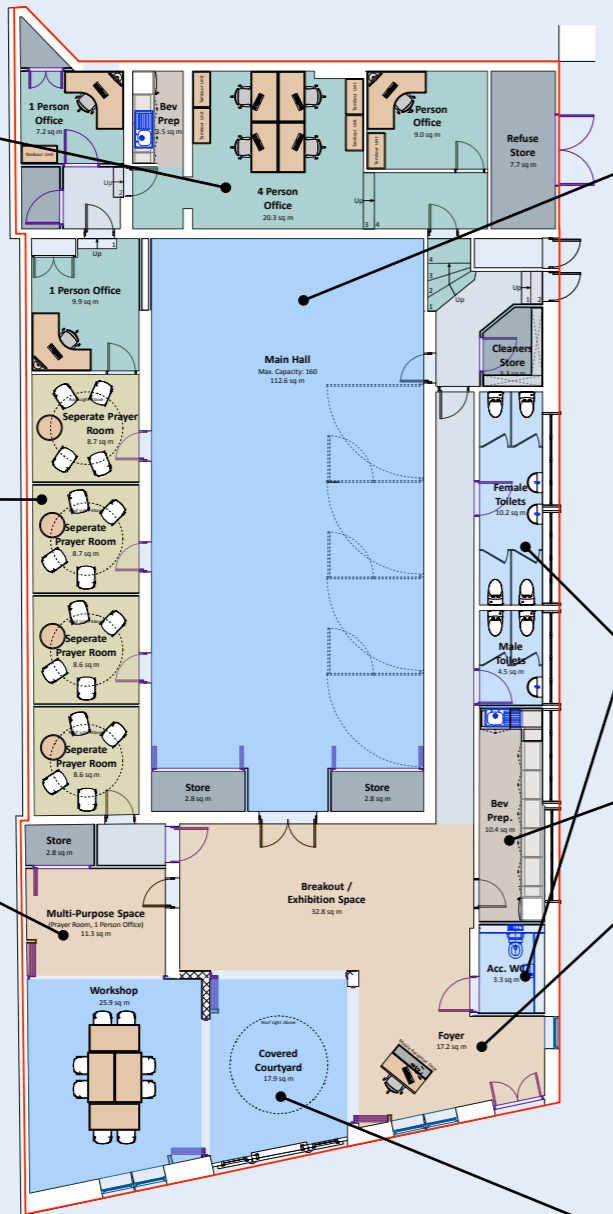

What our new home will look like...

A place where people can sense God's peace and great love for them from the minute they step inside.

Offices: the office is the hub of The Well: a place where communication happens and the vital backbone for our ministry. Our desire has always been to bring ministry and admin together in one place. This means that we will have more time to serve our Guests.

Prayer Rooms: Soundproofed to give our Healing Prayer guests total privacy during prayer.

Meeting room: Equipped with sound and projection systems, this will make an ideal venue for our meetings and training days; it can also be rented out to community groups.

Main Hall: This large and airy space in the heart of the building will be ideal for larger gatherings such as Soaking Prayer sessions, talks and training. At other times, the main hall will be rented out to community groups and it will be fitted with sound and projection equipment.

Toilets: New clean and modern toilets and washroom facilities (including disabled toilet).

Refreshment area: A modern beverage preparation space to serve our guests.

Reception Area: Visitors will step off the street into this light and welcoming foyer, with displays and information on The Well, local churches and other sources of support for guests.

It's an answer to prayer!

The Well was founded in 2004 by the Rev. Anne Hibbert and since then, we have held thousands of healing prayer sessions for many people. From the outset we have rented venues in which to deliver healing prayer, which are expensive and have limited availability, which in turn, restricts the number of people we can pray for. Over the years we have been searching for a permanent home for The Well, but nothing suitable became available... until last Christmas. The Christian Science Church in central Leamington Spa gave us exclusive opportunity to purchase it has fantastic potential:

Accessible and convenient: it is in the centre of Leamington Spa. Anyone who has need of healing will be able to drop in as they are passing. There is ample parking nearby and the public transport links are excellent.

The history: It is the site of the Victorian St Luke's, a chapel named after the apostle who was a physician and healer.

A purpose built design to fulfil all of our needs: with soundproof prayer rooms for privacy, a large meeting room, a central hall ideal for larger events, a refreshment area, office space and easy access and facilities for those with limited mobility and it will provide a valuable community resource. We will hire rooms out primarily to others engaged in health and wellbeing, such as other charities, fitness classes etc. A church is keen to hire the main hall for their regular Sunday services. The end result will be a safe and peaceful place of refuge – a place where people can sense God's great healing love for them from the minute they step inside.

The Well – seeking to make God's healing available to all

Just as Jesus prayed for anyone who asked Him, so do we. The Well offers healing prayer in the name of Jesus Christ to everyone. We also pioneer new kinds of Christian healing prayer and practice, and train and equip others to offer Christian prayer ministry.

The regular Healing Prayer and Soaking Prayer that we offer would never happen without our wonderful team of 80 trained volunteers who offer prayer to our guests under the direction of The Well's founder, Rev. Anne Hibbert, an ordained Church of England minister.

Those who come to us for healing prayer may be seeking it for physical issues (such as problems in pregnancy, arthritis, eczema, visual impairment or injuries) or emotional ones (such as depression, stress, lack of confidence or bereavement).

We always welcome the opportunity to share our Christian faith with those who do not know Jesus yet. It's exciting to witness a Guest's discovery that God really does love them and that they are special.

“Jesus Christ is the same yesterday and today and forever.”

Hebrews 13:8

Our current ministries

Our new home will enable The Well to bring all of its work together: Such as our healing prayer sessions where we witness, first-hand, the Holy Spirit at work. We run various other events throughout the year, to help on your journey with God.

HEALING PRAYER – where you can drop in for 20-30 minutes sessions- and we witness the Holy Spirit at work.

SOAKING PRAYER – relax while gentle music plays and you receive silent prayer during this 50 minutes of soaking time.

QUIET DAYS – drawing you closer to God through worship, teaching, ministry and personal reflection.

PATHWAY EVENTS – teaching you God's Pathway through life's difficult circumstances.

LISTENING TO GOD CONFERENCES – high profile Christian speakers who help to take you into a deeper relationship with God and to become the person He wants you to be.

HEALING TRAINING – our two part course equips you to bring God's healing to others. We use a mixture of Bible teaching and sharing of different prayer tools, practical demonstrations and plenty of hands-on experience.

SPECIAL HEALING PRAYERS such as generational, inner healing, time line and beginnings prayer.

“I had intense shooting pains in my left leg and up to the groin, affecting my hip joint. An MRI scan confirmed I had a prolapsed disc and an appointment was made with a neurosurgeon. The pain was relentless so I went to the Well for prayer. I was sceptical about claims of physical healing and expected none; I only hoped for peace and calmness about the situation. After prayer, I felt a sense of calm and acceptance and continued my regime of painkillers for 4 days then I realised I had forgotten to take any painkillers. I told my GP and, I no longer have the appointment with the neurosurgeon!” (Prayer guest)

“Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness.”

Matthew 9 v 35

Can you make a gift, and help this vision to reach completion?

There are so many, many people today in need of God, and his healing touch. Won't it be amazing to be able to have a dedicated Christian healing centre, right in the middle of Leamington Spa, where anyone and everyone can come to experience God's love and power? There has already been an incredible outpouring of generosity: our supporters have donated over £200,000 – enough for the deposit for us to buy the building.

We want to open as soon as we can – but we still need YOUR help and support to raise the £461,500 by the end of November. Every pound really does count!

“I was diagnosed with a brain tumour... Doctors tried to operate but they couldn't get it out. It was a large and aggressive type – all the doctors could do was put me onto a treatment plan to prolong my life.

“Then I came to The Well (for healing prayer) and had such a peaceful and wonderful afternoon.

“Subsequently, I had an MRI scan which shows that the tumour has ‘disappeared’. My doctors said it was miraculous – they weren't expecting the tumour to shrink at all, let alone vanish. I have seen the scans and it is pretty amazing to see the before and after pictures... Praise God – He loves to heal!” (Prayer guest)

Can you and your friends prayerfully consider making a gift?
