THE ART OF HEARING GOD

We are delighted to offer you this Teaching Day, full of Bible teaching and practical listening exercises, to help us hear God speaking to us.

Alison Scott is a member of The Well's Prayer Team. Previously, she spent many years in Hong Kong and was one of John Paul Jackson's Directors and a Certified Teacher for the Art of Hearing God course. She has a wealth of experience in helping others to awaken and enhance a deeper and exciting understanding of God through biblically based teaching. (See the back of this leaflet for more information about Alison's background and ministry.)

The full Art of Hearing God is an introductory yet profound course, which provides step-by-step instructions and practical tools to learn to hear God's voice clearly and consistently. Although it is usually a much longer course, on this particular day Alison will provide a taster of its core teaching.

In the summer of 2017, Alison led this Teaching Day for our Prayer Team and the feedback was so positive that we want to be able to offer it to a wider group. Everyone enjoyed it and found all the teaching helpful, as well as challenging in places!

COURSE OVERVIEW

The day will include Bible teaching, testimonies and a mixture of discussion and practical listening exercises.

There will be a 50-minute lunch break at 1 p.m.

Alison will cover questions like:

- How do we hear God's voice?
- What do we do with what we hear?
- Why don't we always hear God's voice?
- How do we pray for others with what we have received from God?

The day costs £20.

It can be booked on the form attached as part of this leaflet and can also be booked online at: www.wellhealing.org
