*"I was really pleased to hear that The Well have invited Stuart Lees to speak at their next Listening to God day. I've known and worked with Stuart for a number of years, and alongside his considerable experience in prophetic ministry I consider him one of the most engaging and anointed speakers I've had the pleasure of working with. Stuart's ministry and guidance has had significant impact on my ministry over the last few years and I'm so looking forward to being inspired by him again."*

## About this Listening to God Teaching Day

Stuart is an outstanding teacher who has the amazing ability to make sense of God's supernatural realm: to make it accessible and to help us to understand why we need to live there.

Throughout what promises to be an exciting day of teaching and prayer activations, Stuart will help us to understand how we can walk into freedom, based on what the Bible says about our identity and authority in Jesus Christ.

Stuart will share Biblical teaching about how, as humans, we live in both the natural realm that we perceive with our senses, and the unseen spiritual realm. He will explain how, as Christians, God has "raised us up with Christ and seated us with Him in the heavenly realms in Christ Jesus" (Eph. 6.2), and how we can learn to exercise our spiritual authority in Christ.

Through this 'Listening to God' day, Stuart will equip us for a supernatural lifestyle and empower us to rise up and break out of our own sin patterns and strongholds.

He will also demonstrate how to activate the prophetic gifts that God has for each of us, before giving us opportunities to pray for each other using prophetic words of life that help us to live in God's original design for our lives!

There will be two talks in the morning and one in the afternoon. In addition to the prayer activations, there will be a short time of response after Stuart's talks, and members of Stuart's team will be available to pray for you.
