# Psalm 103:1-6 (TPT)

## King David's Song of Praise

*With my whole heart, with my whole life,  
and with my innermost being,  
I bow in wonder and love before you, the holy God!*

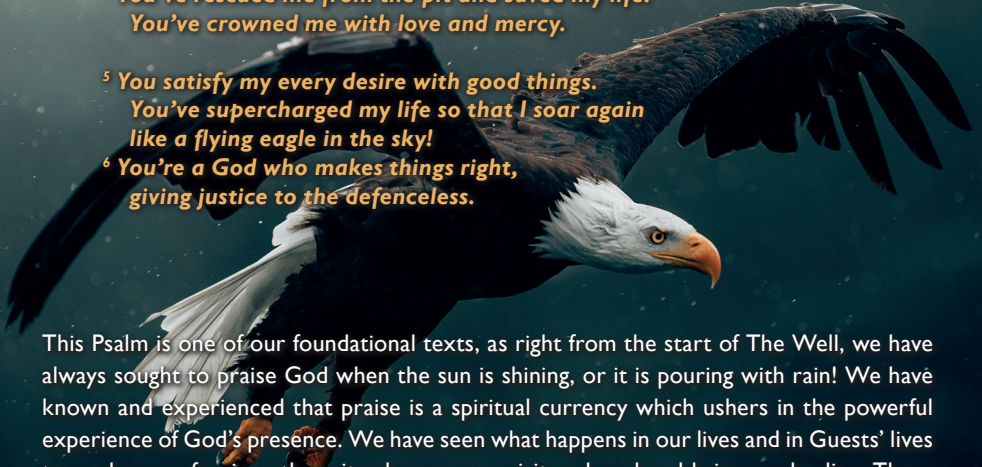

<sup>2</sup> *Yahweh, you are my soul's celebration.  
How could I ever forget the miracles of kindness  
you've done for me?*

<sup>3</sup> *You kissed my heart with forgiveness, in spite of all I've done.  
You've healed me inside and out from every disease.*

<sup>4</sup> *You've rescued me from the pit and saved my life.  
You've crowned me with love and mercy.*

<sup>5</sup> *You satisfy my every desire with good things.  
You've supercharged my life so that I soar again  
like a flying eagle in the sky!*

<sup>6</sup> *You're a God who makes things right,  
giving justice to the defenceless.*

This Psalm is one of our foundational texts, as right from the start of The Well, we have always sought to praise God when the sun is shining, or it is pouring with rain! We have known and experienced that praise is a spiritual currency which ushers in the powerful experience of God's presence. We have seen what happens in our lives and in Guests' lives too, when we forgive others it releases our spirit and soul and brings us healing. There have been many occasions when we have seen Father God rescue our Guests from a pit of despair. Through the years our Reception Team have remarked that Guests leave with a spring in their step even though they arrived bowed low. It is true that God by His Holy Spirit super charges our lives!

**Spend some time reading these verses again.**

**Where do they make a connection in your life?**

**Praise God for His blessing in your life.**

**Now pray and reflect on these questions with Father God:**

- Do you need to experience God's forgiveness afresh or offer it to another?
- Do you need God to rescue you?
- Do you need to be supercharged with His Holy Spirit?

***“The One who calls you is faithful,  
and He will do it!”***  
*1 Thessalonians 5:24*

Dear Friends,

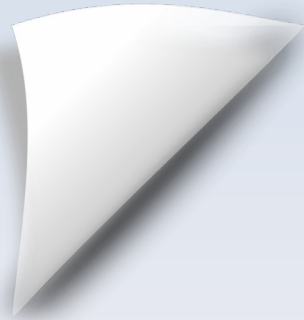

Over the weekend of 24-26 June, we celebrated the 20th Anniversary of when Father God gave me the vision for The Well whilst sitting in a friend's garden. It is hard to grasp that it has been 20 years. What a journey! What an amazing God who is ever present, faithful and resourceful. I am grateful to my friend Darren Bovis-Coulter for making a video about how God gave me the vision for The Well. It includes local history of our Royal spa town as well as my hopes and dreams for the future. Please watch it (details are on page 4) and pass it around your Networks. Steve Witt, that inspirational USA prophetic teacher, who was our very first [Listening to God](#) speaker sent me a prophetic video as we start Chapter 2. Wow! We say Amen to this prophecy and please bring it on Father God! Please watch this (details are also on page 4) and let us know your thoughts.

As the page has turned, we do face once again new challenges such as the need to increase our income stream so we can grow the ministry, and have a ministry co-worker alongside me. Please can you partner further with us to fulfil this Chapter 2 vision, through prayer support, joining our Well Team, through financial giving or all three?

Thank you all so much for journeying with us. Let's explore together this next healing adventure with Father God!

My love and thanks

*The Reverend Anne Hibbert  
The Well's Founder and Director of Ministry*

# CHAPTER TWO

## 20th Anniversary Celebrations

Recently we celebrated 20 years, since Father God gave me the vision for The Well whilst I was sitting in my friend's garden on 25th June 2002. It was such a great joy to gather and to rejoice in Father God's faithfulness, love and provision. It was a huge milestone weekend for me, as I have never been this close to a vision from God being fulfilled in such incredible ways. During these last 20 years I have and still am hugely privileged to witness Jesus' mandate to share the good news and heal the sick being fulfilled. Week after week Jesus meets our guests at their deepest point of need. How blessed are we! [Anne Hibbert](#)

## Watch our Videos

Anne Hibbert made a video which celebrates the journey of The Well over the last 20 years. In this wonderfully historical and vision casting video Anne passionately shared the need for a co-worker; the vision to train up more leaders and grow the prayer ministry team. If you have not seen our videos yet please visit these links:

[www.wellhealing.org/Chapter2](http://www.wellhealing.org/Chapter2)

Steve Witt spoke about Chapter 2, the 'turning the page' process as found in Acts 2, Ezekiel 2 and Joel 2 and how he saw the next 20 years at The Well being that fruitful Chapter 2 moment for us, a time to grow and a time to dig deeper. A word was also given for the 20th Anniversary with someone saying that we need to transition to a higher level because the world needs us... Let's move to a higher level at The Well, to give more of our time, treasure and talents!

# Transitioning to a higher level

**Our invitation is this; would you like to join with us again as we turn the page and support the next steps of Chapter 2 thinking?**

**Pray:** Firstly we call you to pray, pray for growth of ministry and the financial support.

**Share:** Please share the videos of our 20th year celebration story, the prophetic word from Steve and other videos on our YouTube Channel.

**Give:** We were encouraged to move to a higher level in The Well, to give more of our time, treasure and talents!

Please consider what this looks like for you.

Over the coming weeks we will be releasing more details about volunteering opportunities and we will be having a fresh drive to build more prayer team.

As we faithfully move forwards in pioneering growth, this means more radical faith-based financial support. We would like to raise £50,000 to continue growing our current ministries as well as securing an additional £2,500 a month to replace the donor base that was lost during the pandemic. For many who have so generously supported us over the last 20 years we invite you into this time of transitioning and ask if could you increase your giving? We have come so far with your generosity and Chapter 2 is just as exciting!

**With a BIG Vision  
comes a BIG ASK!**

our BIG  
**ASK**

Our world is always facing BIG challenges, we are continually facing moments in our lives BIG and small, but we know we have a BIGGER God! Psalm 147:5 reminds us, **Great is our Lord, and abundant in power; His understanding is beyond measure!**

As we look to our BIG God, we present our BIG ASK... and it is this: **We would like to pay off the mortgage for 20 Augusta Place so we are in debt to no-one and more precious finances can be released into our ministry activities.**

This could happen in a number of ways, fundraising, a financial investment in our building or something else. **If this BIG ASK sparks your imagination please contact us for more details.**

# Streams in the Desert is Back!

**2 Evenings of Spiritual Refreshment & Focussing on God for Women  
St Paul's Church, Leicester Lane, Leamington Spa CV32 4TE**

**7.15pm Coffee / 7.45pm Worship & Teaching / 9.30pm Finish**

**Sadly, we had to stop Streams in spring 2020 due to the pandemic. Now that things are getting back to normal many women have asked when Streams is returning and finally we can say this autumn! Do put these dates in your diary and tell your friends that Streams is returning with two very popular speakers. Oh happy days!**

## **Why Streams?**

In the summer of 2000, God gave Anne Hibbert and Ruth Lockyer a unique vision to organise a regular event for women where there would be worship, creative prayer ministry and teaching – particularly emphasising 'The Father's Love'. Streams in the Desert is the result - events for women who want to

meet with God and find encouragement and spiritual refreshment. Each evening includes refreshments on arrival, worship, a speaker, prayer and a small gift to take home.

*'The desert and the parched land  
will be glad; the wilderness will rejoice  
and blossom.*

*Like the crocus, it will burst into bloom.  
Water will gush forth in the wilderness  
and streams in the desert.*

*They will enter Zion with singing;  
everlasting joy will crown their heads.  
Gladness and joy will overtake them  
and sorrow and sighing will flee away.'*

*Isaiah 35 v 1, 2, 6, 10*

## **Monday 19th September Speaker: Hils Grew**

Hils is on the leadership team of Trinity Church, Cheltenham with her husband Tim.

She is particularly passionate about seeing women fulfil their potential and encouraging them to discover more of the Father's heart for them. She has spoken at numerous women's events and New Wine conferences and is the author of a fabulous devotional book called **Known**.

## **Monday 7th November Speaker: Judy Moore**

Judy is a speaker, writer, professional actress and an associate pastor at Riverside Church Birmingham. She has performed a wide variety of classical and comic roles around the world and was the Ministry Director for Saltmine Theatre Company. She has a particular passion for storytelling and writing books and recently published her second book with Waverley Press called **The Bird Who Sang Again**.

It does not require booking, simply come along to St Paul's Church**

## The Steadfast Love of the Lord Creative Event

Come and join us for a teaching and creative morning on “the steadfast love of the Lord never ceases”. (Lamentations 3:22-23) We all experience and encounter God in different ways. During the morning there will be an opportunity to hear Bible teaching on the steadfast love of God followed by a creative prayer activity. Participants will each make a delightful prayer folder journal from card which will be filled with encouraging Bible verses and many reminders of how much Father God loves you. *(All resources and scissors will be provided.)*

**The cost is £20.00** which includes a Biblical handout, resources to make your own creative prayer journal, hot drinks and home-bakes. This event will be limited to 10 individuals so that everyone can receive individual tuition and guidance if needed.

### The Programme

**9.10am** Doors open

**10.05am** Creativity begins! Includes tuition, all materials, hot drinks / home-bakes

**12.50pm** Conclusion, worship and blessing

**1.15pm** End

### Background to this event

“Recently, I felt very challenged by several situations within The Well and life felt overwhelming. On a daily prayer walk Father God reminded me of the hymn Great is thy faithfulness. I reflected on the words and felt uplifted but still very challenged. I was sharing this with my friend Mary. A couple of days later Mary visited me bearing gifts which she described as my prescription for the next 5 days. Eagerly, I opened one each morning and was encouraged by the different Bible verses all presented in a creative way. Father God powerfully used Mary’s prescription as the Bible says His Word is living and active and can get deep into our spirit to bring us healing and strength. A little while later I shared all this with Mary and I asked her if she could create a steadfast love of the Lord activity prayer journal that others can make and be encouraged too.

Therefore, I do hope you can join us for what I believe will be a creative, fun and encouraging morning!” Anne Hibbert

# Healing Training Celebrations

**Pre-pandemic we regularly ran Healing Training Courses so that we can pass on what we are learning. We led a course hosted by the Revd Martin King, Vicar of Holy Trinity Church Rugwick, Horsham. Here is what he said about our course.**

“The Travelling Well’s Healing Training Course was excellent. The team were knowledgeable and experienced, gently leading us deeper and deeper, encouraging everyone they could do it as they took us further out of our comfort zone. It was a very significant couple of days for our Church. I am so grateful to Anne and her team. The Lord was so clearly and powerfully at work that people wouldn’t stop praying! They were praying for each other even over lunch. It has released our Prayer Ministry Team in greater confidence in praying for healing. Eight months on, people’s lives have been changed by the healing they received over that weekend. I highly recommend this Healing Training Course!”

This was a testimony that we received from a delegate on the course:

*“I’ve had a chronic back condition for around 32 years. I’ve never fought it or felt frustrated or angry about it. I just feel grateful for all the things that I can do. At the healing day, two ladies and a teenage boy prayed for my back to ease and heal. After a short while I was asked how it felt and I explained there was no change. They continued praying. After a few minutes I realised that I could stand up straighter and I could stand equally on both feet, something I can never do. I just felt lighter, freer and the pain had subsided.”*

**During the pandemic we re-wrote our healing courses for online sessions. We were surprised and delighted at how well they went. Here is a testimony from a delegate who was healed at our Saturday online healing course. There was great joy as he shared his testimony!**

*“I do a lot of running and had a hip-flexor injury over Christmas. In January I went back to running but was experiencing some discomfort so I went to the doctors to get checked out. He sent me for a scan at the hospital which picked up a small cyst, nothing that needed treatment but the doctor thought this could be causing the discomfort. He gave me medication to take, but after the 4 week course there was no improvement.*

*All this meant that on the Saturday of the healing session in April I was experiencing discomfort on a scale of 6/7 out of 10 when I was sitting down so I signed up for some prayer on the day. It was during the session on trauma when I moved off my chair to lie down on the floor as it was more comfortable that I received healing. Trauma is not something I had ever considered and the Holy Spirit brought back to my mind an event from my childhood when I had to go to hospital to have grommets put in my ears. I remember the nurses putting this mask over my face and I totally freaked out.*

*I prayed about that traumatic event and then got up to sit on my chair again. At this point I realised all the discomfort had gone. There was such a change that I was able to put on my jeans which I hadn’t worn for weeks because they added to the discomfort! Needless to say I was delighted and didn’t need anyone to pray for me :)*

*One of the reasons for the delay in sharing this testimony was that I recently noticed that some of the discomfort had returned. It wasn’t a 6/7 but a 2/3, a significant improvement, but not gone completely, this continued for the next few weeks so I continued to pray for complete healing and I am now at the point where I haven’t felt any discomfort for several weeks so praise God, I think it has gone and God has healed me!*

*So thank you for organising the course, I have been wonderfully blessed by teaching and healing, it doesn’t get any better than that :)  
Thank you, Nigel”*

## Women's Breakfast

Saturday 20th August 8.30am-10.00am 🏠 The Well 20AP

As we are relaunching Streams in September, Anne Hibbert thought it would be fun to gather for breakfast beforehand to say hello to each other. Doors open 8.15am, breakfast (which consists of a variety of hot drinks, cereal, croissants, Danish pastries, yogurt and fruit) will be available from 8.30am. At about 9.15am Anne will give a short talk for 20 minutes on Father God's healing love, followed by more hot drinks.

Why not bring your friends and join us, afterwards you can then look around our delightful shops or have a walk in Jephson Gardens! **Cost is £6.00 per person.**

## Rest and Receive Testimony

We are always encouraged when Guests send us feedback after prayer ministry or an event. Judy from Bingley in West Yorkshire zoomed in on 11th July to our online Rest and Receive session. She was not alone as some of her Homegroup were there too. Here is some encouragement from their experience at Rest and Receive.

*"I first encountered Rest and Receive through online Spring Harvest, when Anne Hibbert was speaking and leading some R&R sessions. I got so much from it that I have booked for further sessions. As the last one was on a Monday evening, I invited my small prayer group and we very much enjoyed the session. We meet every Monday evening usually for some worship, reflection and praying for each other and our church, as well as the wider community and globally.*

*I've asked members for their thoughts and here are their comments:*

- *Personally, as a disabled person as well as being a carer, I often find it hard to meet with God in a way I would like and these sessions are so perfect; wonderful music with photos to accompany as well as some beautiful Scripture verses with pictures.*
- *A very relaxing event; it was good just to be able to sit and listen to the music and what has been said. I had a real feeling of the Presence of God during the time it was on.*
- *Very relaxing with quiet reflective music. Looking forward to repeating the session."*

*As a postscript Judy wrote... "I really wish I lived a bit nearer. These sessions also remind me of what I used to do when I was leading retreats for carers. Music, pictures and Scripture were always important to us. Hoping to book an online prayer session soon. God bless you and all you do!"*
