What is The Well?

The Well Christian Healing Centre is a safe place where people of all faiths and none can come to receive prayer for healing.

Founded in 2004 by Revd Anne Hibbert, our vision is to see people encounter the transformative healing power of God.

Led by Revd Anne Hibbert, we have pioneered and refined Christian healing prayer ministry in Leamington Spa for over 20 years. Our prayer teams are caring Christian volunteers who have been trained in how to pray with people and who have the support of their own church leaders.

We look forward to the privilege of praying for you at The Well

'I went for two appointments at the Well this year. Both sessions were life changing for me and I can see a transformation in my mind, heart, spirit and soul.'

We will listen to you and offer to pray for you. We ourselves do not have any special powers – but we do believe in the power of Jesus Christ to heal people today.

Need Healing Prayer?

- *Is life overwhelming?*
- *Are problems or chronic pain getting you down?*
- *Do you need direction?*
- *Are you experiencing significant challenges with your physical health or emotional well-being?*
- *Are you struggling with peri-natal issues, bereavement or loss?*

We can pray for you!

'Since this wonderful experience my legs have improved 90%, a real miracle and I haven't missed a night's sleep.'

Who?

We pray for people of all ages (young people under 18 must be accompanied by an adult), people of faith and those who have no faith. We can also pray for family and friends if you want to come on their behalf.

What happens?

Our confidential prayer appointments take place with two members of our highly trained prayer team in a private room or online. You can share as much or as little as you would like and the team will pray for you.

Is there a charge?

Our prayer ministry appointments are offered free of charge because we want people to experience God's healing and wholeness through their encounter with Him. The Well is a charity that is dependent on donations.

There's More!

As well as our main prayer ministry sessions, guests can also receive brief healing prayer and blessings at these events:

Rest and Receive

An event where you can rest in a peaceful, welcoming space. Relax, reflect on a short message, and listen to gentle music whilst receiving silent prayer from our team.

Wonderful for those experiencing stress, illness, or simply wanting to be still in the presence of God.

Quiet Mornings

A feast for mind, body, spirit and senses. Be blessed in a beautiful setting by inspiring talks, poetry, gentle music, lovely images and home bakes. Short prayer ministry sessions are available throughout the morning.

"I very much enjoyed the Rest and Receive musical prayer evening last night - I found it life giving and sensed something of the Father's embrace"

"I was so blessed yesterday. The teaching was so powerfully refreshing and the prayer ministry spoke into where I am at the moment."

When Can I Come?

Alongside a range of inspiring events and training, our main prayer ministry sessions are:

- **Tuesday Afternoons:** 2pm to 4pm
